## From the Pen of Inspiration

Very great troubles are coming upon the world, and the powers of Satan are stirring with intensity the powers from beneath to work suffering, disaster, and ruin. His work is to create all the misery upon human beings that is possible. The earth is the scene of his action, but he is held in check. He can go no farther than the Lord permits. . . .

Jesus lives to make intercession for us. While the blackness and darkness are closing around the world, our lives are only secure as they are hid with Christ in God. Precious Saviour! In Him alone are our hopes of eternal life to be centered. . . . Faith must pierce the darkest cloud. (That I May Know Him, p. 284.)

## Health Ministries

Our theme this month is basic nutrition. One helpful tip for good nutrition is to fill half of your plate with fresh or lightly steamed vegetables and fruit... Heavy on the vegetables. The remainder of your plate would consist of healthy proteins, fats and whole grains. Remember that the closer we can keep our food to the way it grows in the garden, the better!

## Call to Worship Song – “His House”

We have come into His house, and gathered in His name, to worship Him. Let's forget about ourselves, and magnify the Lord and worship Him. Let us ask for healing grace And look upon His face, and worship Christ the Lord. Worship Him, Christ the Lord.
